

Family Rules

Renters have access to the outside storage area where there is usually a grill and other fun beach items. If you wish to use these items, please abide by “**Family Rules**”.

- If you use it up, replace it.
- If it is broken, throw it out.
- If you broke it (other than it wore out) replace it.
- If it is not there, it is not your lucky day.
- Please be very careful in this room. Young children should not be allowed free access as there are lawn and household chemicals and tools stored.

We hope this enhances your stay at the beach. Enjoy!
